Contemporary Publication

Special Project Publications and Earned Press

Crash Course in Teaching Online

(3/12/2020) Crash Course in Teaching Online <https://sway.office.com/0smlONqNk8fMxApr>

This crash course was created to support teachers who were moving into the realm of online teaching as a result of the COVID-19 pandemic.

1. (March 26, 2020) Ross, Al. Interview with Dr. Kevin W. Tharp. Spectrum West, Wisconsin Public Radio. <https://www.wpr.org/shows/spectrum-west-march-26-2020>. Listen at <https://www.wpr.org/listen/1613606> starting at 14:00.
2. (March 20, 2020) Professor creates crash course in alternative learning teaching: Tharp, who has taught online 15 years, helping other professors cope with special situation. University of Wisconsin-Stout. <https://www.uwstout.edu/about-us/news-center/professor-creates-crash-course-alternative-learning-teaching>

Virtually Tilted

(10/18/2019) Virtually Tilted <http://virtuallytilted.kevinwtharp.com/>

"Virtually Tilted. An Exhibition of Tilt Brush Artistry" is a peer reviewed / juried exhibition of Tilt Brush Art and Artistry that launched in October 2019. This was a virtual event where artists submitted Tilt Brush sketches, and works such as videos derived from those sketches, for peer review and exhibition. You can view the submissions through the exhibit with 6 degrees of freedom using a traditional flat screen device.

1. (10/28/2019) Poling, Jerry. Professor hosts virtual reality exhibit based on Google 3D tool: Artists from five foreign countries, four states submitted immersive digital art. University of Wisconsin-Stout. <https://www.uwstout.edu/about-us/news-center/professor-hosts-virtual-reality-exhibit-based-google-3d-tool>

Sway Presentations

Sway is a presentation tool that allows for multi-media content. It provides an opportunity for the instructor to utilize various scaffolding techniques to support learners with different learning styles, embed content into other locations, and edit on the fly to keep information current and relevant after initial publication. If there are two dates, the first is the creation date and the second is the last edited date They are organized by last edit date (updated 2/7/2021)
